Don Traman called the meeting to order.

Sharon Fangman gave the Treasurer's report and minutes. They were approved as read.

Sharon gave an update on the fundraising for the renovation. We received a bid for the drapes of \$16,500.00. At this stage the drapes are not funded as they don't qualify on historical grants.

Restoring the phone booths and ticket areas are projects we are researching and getting figures for. We need 2 old Burlington phone books and covers to be used in the display.

Several members of FOTD attended a meeting with Flood Mitigation engineers for an update. The depot is still part of the flood protection.

Tony Dixson with help from Brett Metcalf has finished 4 benches and is now repairing one of the original chairs. Sharon has stripped multiple layers of paint from the two original chairs exposing the walnut. They will be for display only.

Dan Gillette gave us potential dates for civil war roundtable and car show fundraisers. Don will check with the city as to when they plan sewer work that will affect the north parking lot and we will then set dates.

Sharon presented a bill for paint remover. Diane Sweeden made motion to pay and Lois Traman seconded the motion. Approved by voice vote.

Dan Gillette made motion to adjourn and Dave Berry seconded the motion.
