Meeting Minutes

Tony Dixon – Chairman

Place	Date	Time	Note Taker	Attendance
RonDavoo	8/2/2018	7:00PM	Sharon Fangman	9

Tony Dixon called the meeting to order and Sharon Fangman read the minutes and gave the treasurer's report. Gretchen Walls made motion to approve as given and Bette Raines seconded the motion. Approved by voice vote.

Tony gave an update on display case. He is waiting for the city to finish the electrical and then he can move forward.

The drapes are ordered but will not be installed until the floors are finished.

We received notice the Iowa DOT is preparing a brochure featuring depots in Iowa. We will be the first one featured. The info the DOT had was from 1994 and picture was the back of depot. Tony took a new picture of front of depot and Michael Mason provided him with old photo of great room with people all dressed up. Sharon wrote current information and Nick forwarded all to the DOT.

Tony is getting quotes to have the old radiators sandblasted and powder coated so they can be reinstalled to protect windows from someone tripping over ledge they sit on and for historic feature.

We discussed what projects we would like to undertake next with funds available. It was decided to wait until we learn if all floors are included in current reno bids or if we might need to help. Bids on current reno will be opened August 7th and work must be completed by November 21st.

Diane Sweeden made motion to adjourn and Eleanor Walden seconded.
