We greeted 28 AMTRAK passengers in January.

A matching fund grant is being applied for by the city for the depot. It must be submitted by Feb. 15th and we should hear results in July.

The Art Center donated 14 captain chairs for use at the depot. We plan to move them to storage Saturday the 6th at 10AM.

We plan to refurbish the 8 benches at the depot by removing the springs and horsehair stuffing and replacing with solid wood seat.

The Oak plywood is \$54.00 per sheet and we can get 2 benches per sheet. Diane Sweeden suggested individuals adopt a bench for \$27.00 rather than use money from our account.

AMTRAK and BNSF engineers have been in town meeting with the city regarding canopies, platforms, and drainage.

We discussed possible fundraiser ideas for this summer but no action was taken.

Diane Sweeden made motion to adjourn and Lois Traman 2nd the motion.
