A date was not selected for the open house as the restoration is not completed.

We will have several work days and the phone booth restoration will need to be finished before an open house. Lois Traman made a motion allowing Sharon to purchase cleaning supplies for our work day and Cheryl Lotz seconded the motion and it was approved by voice vote.

Matt Murray gave us an update on the status of Grier's. The Economic Development Board voted unanimously to fund the "white boxing" of Grier's. We applauded Matt for the patience and persistence he has shown waiting for positive news.
