We discussed the bid for a new entry door for the city bus waiting room. The door and transom must meet historical guidelines. The bid is \$2625.00 plus installation. We decided to table project until we see if it will be included in future grant.

Recognition plaques for the phone booth and display area were available to view.

Bus waiting room is painted, doors stained, radiators painted, powder room floor installed, waxed and buffed, and a new door for utility access.

A lot was accomplished last month.
