Friends of the Depot changed the type of meeting we would hold this month due to weather. Many of our elderly members felt it would be too risky to get out, so we did a phone conference meeting instead.

We needed to vote to include the black walls in the great room with the floors in the Historical Restoration Grant we are applying for. The grant must be submitted by April 1st thusly we couldn't wait until the April meeting to vote. Members voted unanimously to add the walls to the grant.

Tony Dixon and Sharon Fangman will meet with Jarred Lassiter on March 19th to work on the grant application. Tony will be taking pictures to show the before and after using the 10 ft. floor sample Royale Concrete did and one of current floor condition . We will also submit before and after the whiteboxing of Grier's.

Next meeting will be April 4th at the Rondavoo.
