Don gave us a breakdown of the progress of construction at the depot.
The windows are now in.
Pillars are being painted,
They found matching stone for repairs.
Water line run from Main street for sprinklers.
Walls are being cleaned.
Next the ceiling will be installed.
Fixing the clock project has been adopted.

Meeting the end of month will give update on progress and finances.

The "Great Reveal" open house will be planned and hosted by Friends of the depot.

Due to the delay and late completion date plus the holidays it will be held in January.

Tony Dixon and Sharon Fangman gave an update on the phone booths. We found a pair of Vintage 1944 pay phones. Tony brought pictures for everyone to see. We also found a Vintage "Telephone" sign like the one in old photo. Sharon brought it for show and tell. The project is on hold until the general contractor is finished.

We discussed framing the enlarged photos of original depot donated by F&M Bank to be displayed on back walls of train and bus ticket counters. Once we get frame prices we will post on Facebook for people to adopt a frame.

Sharon donated the felt floor protectors for the chairs and benches and two end tables. Tony is putting a fresh finish on the tables.

Bob Petzinger made motion to adjourn and Lois Traman seconded the motion.
