We discussed the balance of \$5,946.93 still owed the city on the renovation. We received a pledge payment of \$5000.00 in October and will have \$2000.00 more to come in before end of year. Diane Sweeden made a motion we pay them in full now to finish our commitment on the renovation. Betty Raines seconded the motion and it was approved by voice vote.

Research regarding options for a display case was shared. The city asked Tony Dixon to open the area where lockers used to be located, take measurements, pictures, and close back up. We then will take info to glass companies for a bid and materials list. With a drawing of project we will submit to city for approval.

The \$75,000.00 grant application for white boxing Griers and finishing the floors should be decided mid November.

November 18th, 9AM is the date set to put up Christmas decorations at the depot. We will have a 10 ft. tree in the front window, an 8 ft. tree trackside, and Santa again in the locomotive.

The Iowa Store and Heritage Center are now carrying Bulletin #23. This will help us move the ones we have on hand.

Lois Traman made motion to adjourn and Tony Dixon seconded.
