Tony Dixon – Chairman

Place	Date	Time	Note Taker	Attendance
RonDavoo	9/6/2018	7:00PM	Sharon Fangman	12

Tony Dixon called the meeting to order and Sharon Fangman read the minutes and gave the treasurer's report.

Don Traman made motion to approve as presented and Bette Raines seconded the motion. Approved by voice vote.

Tony gave an update on the display area. Barnrovers have installed the shelves and door. Tony will put the trim on this week. The light is installed but city need to make outlet hot.

An inspection of the depot regarding ADA compliance was conducted and several items did not meet requirements.

Examples: Concrete in front of city bus waiting room was cracked and 2% to low, resulting in the city having to lock it and city passengers now must use great room. The paper towel dispenser was 2 inches too high, trash can was not bolted to floor, hook on restroom door  $\frac{3}{4}$  in. to high, need Braille on entry doors and the pop machine can't be moved to entry as planned as money slot would be 2 in. too high.

We discussed the bids for white boxing Grier's coming in way over estimate. The fact that the floors in great room are not now included is a real set back. Many of us feel it should be rebid. We are committed to seeing the floors finished.

Diane Sweeden made motion to adjourn and Jeff Heland seconded.
